Can we try again to start a new and lovely story that will, shine a ray of light upon our hearts, and bring back long lost glory, of how it used to be, baby you and me, convinced we were each others destiny.

My heart cries out to you, you must forgive me, ive been dancing in the dark, been searching for a spark, a fires still burning, I will even make it through if you stand by me, we can weather any storm, and keep each other warm as long as there's love.

Every time I think of us my eyes are filled with tears to think that, I give in to sweet temptation words like music to my ears I hope its not to late, that you still awake, and please tell me that your still having faith.

My heart cries out to you, you must forgive me, ive been dancing in the dark, been searching for a spark, a fires still burning, I will even make it through if you stand by me, we can weather any storm, and keep each other warm as long as there's love.

Mmmhhhhmmmm... , and faith is not mine, and if I could id unturn, the hands of time oh my heart cries out to you, you must forgive me, ive been dancing in the dark, been searching for a spark, I will even make it through if you stand by me, we can weather any storm, and keep each other warm as long as there's love never enough love
