Chorus (Akon):

Girl, I can notice
But to notice you
Noticing me
From across the room
I can see it
And can't stop myself
From looking
And noticing you
Noticing me
Watch out
I've seen her type before
That girl is so dangerous
That girl is so dangerous
That girl is a bad girl
I've seen her type before
She's so dangerous
That girl is so dangerous
That girl
Is a bad girl, yeah

(Kardinal Offishall):

Ohhh, yeah
That's her the big dog
Tryin' to get
Her little kitty to purr
Ex-man lookin at me like
I'm Lucifer
Cause he know I will deal
With his case yes, sir
If I was the last man
In earth
I would only take that girl
End of search
She give a new definition
To the word Curve
Got chicks in the strip club
Envy her
Body's like weapon
A mass irruptions
See the glad
On that phat obstruction

Tongue game give
A new type of seduction
(Kardinal yelling
I'm trying to give
That girl something, cha)

(Chorus)

(Kardinal Offishall):
Ohh, bad to the bone
Everything locked
Like a two three zone
I wanted to make
My black snake moan
Talk a little bit
And take that home
She bad
And she know the deal
That's what I can't hide
When she want to conceal
I mean Megan good
And Halle Berry
Put together
Together in close
To the jubee I see
No, no, no disrespect
But this gal
A pon another level
Cut the check, uhhh
Tell king
Max stop the press
Say kid
Can I get a witness

(Chorus)

I see you got that fire
By the way
That you walkin'
(Walkin)
From left to right
I watched her go down
Girl
I just want it right now
Don't wanna do no talkin
(Talkin')
Shorty's so right
I need to slow down

(Kardinal Offishall):
Figure 8

Good body shape
When she on the dance floor
Gyal Dem Irrate
When she do her thing man
Can't walk straight
That biscuit soak up
Everything in my plate
I'm tryna give home girl sex
And the city-titty
Itty bitty waistline
Moves with the baseline
One lick of punch
I'm fine

(Chorus)
