[Akon]

It's a dirty job but somebody's gotta do it  
I see you working ~gon put your back into it  
Baby Imma watch  
You just keep it moving  
You know exactly what you're doing  
So go on do your dirty work  
Go on do your dirty work

Ass up  
Face down  
Perfect body and she lay it to the ground  
Stacked up  
Waist down  
Wanted to throw it like a picture on a mount  
I see them n\*\*\*\*\* reaching for their last dollar  
Asking dumb questions like baby do you model  
Promising everything hoping that they follow  
Praying for America  
I hope they down with Harry Potter

Isn't she the most beautiful thing that you ever saw  
(ever saw)  
Don't she deserve the biggest diamond ring that  
you ever bought (ever bought)

It's a dirty job but somebody's gotta do it  
I see you working ~gon put your back into it  
Baby Imma watch  
You just keep it moving  
You know exactly what you're doing  
So go on do your dirty work (gettin' down dirty,  
gettin' down dirty, gettin' down)  
Go on do your dirty work (gettin' down dirty,  
gettin' down dirty, gettin' down)

Back up  
Shake down  
Just give it all to me and do it right now  
Shack up  
Take down

Just wanna love you without looking like a clown  
Youâ€™re the best that ever did it  
Youâ€™re killing everybody  
How you sâ€™posed to make a living  
Yes I know you hear it all when they tricking  
I can hear them n\*\*\*\*\* saying you too pretty to be  
stripping

Isnâ€™t she the most beautiful thing that you ever saw  
(ever saw)  
Donâ€™t she deserve the biggest diamond ring that  
you ever bought (ever bought)

Itâ€™s a dirty job but somebodyâ€™s gotta do it  
I see you working â€”gon put your back into it  
Baby Imma watch  
You just keep it moving  
You know exactly what youâ€™re doing  
So goâ€™n do your dirty work (gettinâ€™ down dirty,  
gettinâ€™ down dirty, gettinâ€™ down)  
Goâ€™n do your dirty work (gettinâ€™ down dirty,  
gettinâ€™ down dirty, gettinâ€™ down)

[Wiz Khalifa]

Uh  
Moâ€™ money, moâ€™ problems, less rest  
If itâ€™s about a dollar later shawty letâ€™s invest  
Dropped the top, pulled the whip out like a hamstring  
You want a job but Iâ€™m a boss, I keep my hands  
clean  
Keep grabbing all up on my coat  
Iâ€™m letting out all of this smoke  
Iâ€™m throwing money in the air  
Iâ€™m buying bottles for my folks  
And then Iâ€™m coming back for more  
â€”Cause you know all my favourite features  
Imma grow some of this reefer  
You can call me Young Khalifa  
Uh

So goâ€™n do your dirty work (gettinâ€™ down dirty,  
gettinâ€™ down dirty, gettinâ€™ down)  
Goâ€™n do your dirty work (gettinâ€™ down dirty,

gettin'™ down dirty, gettin'™ down)
