Maybe I'm just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day I'm getting weaker
Baby I'm just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day I'm getting weaker

Maybe I'm just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day I'm getting weaker
Baby I'm just a dreamer
Cause this woman is a keeper

Got me feeling like I need her
Every day I'm getting weaker

Maybe I'm just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day I'm getting weaker

Baby I'm just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day I'm getting weaker

When you're lonely
Just give me a call
My love or my homie
We can share it all
Always been there for me
We witnessed it all
And we plan to be,
Till eternity.

Maybe I'm just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day I'm getting weaker

Baby I'm just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day I'm getting weaker
