Chorus (Akon):

Everywhere
I go they starin'
Checkin' me out
And what I'm wearin'
The lights on my ice
Just starin'
And everywhere you go
I'm there
I'm exhausted from ballin'
Winter, spring
Summer and fall, and
I'm exhausted from ballin'
Winter, spring
Summer and fall, and

(Orlando Brown):

Big baller
Young shot caller
20 on the wrist
80 g's on the collar
Back from Japan
With a fresh
Million dollars
Pages to sleep
Wake up thank Allah
You're an A
Grab the hand so
Throw some threads on
Hop in the Lambo'
Freaks call me
Commando Orlando
Pushin' in the wind now
I'm out like a candle
You won't believe what I got
Honey foot
Got your cozy on top
And I just bought two more
Bentley cold drops
400 grand they both came
With a watch
You screw you pay me

80 karat gold
AK I'm crazy
Pull up on the block
With my eyes all hazy
Such a Konvict
I could steal your lady
(Yeah)

(Chorus)

Everywhere I go
They starin'
(Everywhere I go)
Checkin' me out
And what I'm wearin'
(Checkin' me out)
The lights on my ice
Just starin'
(Hey, hey)
And everywhere you go
I'm there
I'm exhausted from ballin'
Winter, spring
Summer and fall
And
(Winter, spring, summer)
I'm exhausted from ballin'
(Oh, yeah)
Winter, spring
Summer and fall, and

It's high noon
Think I might
Just fly to Cancun
Where the ladies
Shake their
Boom, boom, boom
All my G-Force
Xoom, zoom, zoom
Then we arrive
Steppin' off the jet
I'm lookin' fly
Ask who designed this
I, this
My kicks, keep me paid
Feelin' like woah
That's more money I get
I just come to the island
Just to have a spot
Where we all be wild and
I fall texting, dialing

If you got some girlfriends
We'll be stylin' baby
The phantom can fit us all
Tell your man
You ain't trippin' off
Him at all
And that's for sure
I'm just ballin'
Way out of control
(Yeah)

(Chorus 3x)
