[Intro:]

Cha..

Its that incredible shit..

Talk to um'..

Theres too many beautiful ladies in this house tonight

Felli..

Hey..

I Think we need to hit um off somethin proper or
somethin..

Ok..

Whoo...

They call me Diddy..

DJ Felli Fel..

Testing 1, 2, 3,

Testing 1, 2, 3,

Check this out,

Listen to me,

Listen-

[Diddy:]

It's tricky

I'm picky, baby but I just spotted you ,

Doin' your thing,

G-string,

Shoe string point of view,

Hey-

let me up out of you

You got me in a zone,

Bet a million in a half, cash,

I can make you explode,

You dont wanna brave the cold,

You wanna day with Combs,

I can take you on outer limits away from home,

Where your bill pile,

Unwilin for sho,

In the middle of the club doin' a rodeo show,

Hey-

The hoes seem schemey,

Wet dreamy-

Emphasism obsessed gleemy,

Incredible sex ,

You need me,

Ease me,
Please me baby,
I maybe am a little crazy but in a way that they pay me,

[Chours:]

Dont make me get buck in here!!
Shorty drop em to the ground like she ain't got
manners
Too much booty for one man to handle,
When all i need is a one night scandal,
And ima get buck in here!!,
Damn lil' momma you know you fit my standards,
You the type to make me grip that handle,
Lick shots in the air, bustin' that random,
While you make it clap clap clap clap clap,
You gotta shake that thang, shake that thang,
While you make it clap clap clap clap clap ,
Just shake that thang, shake that thang,

[Ludacris:]

She can make it clap like a standin' ovation,
Spin like my record at the radio station,
Feel the sensation,
I put it right there,
They be like LUDA,
I be like yeaaaaaaa,
You like it like that dont cha baby,
The flow's insane, and the stroke is crazy,
I stroke so good, like Tiger Woods,
Then I ROWR like a tiger would,
My livelihood, is not hollywood,
I'm still southside atlanta, thats a lively hood,
A circus,
Big top, like ringling brothers,
If you wanna learn something,
Bring your mother,
Sit back and observe, invite your friends,
We can mix it all up, like juice and gin,
Felli on the celly with a couple of twins,
Cuz' tonight, damn right, we gonna do it again,

[Chours:]

Dont make me get buck in here!!,

Shorty drop em to the ground like she ain't got
manners,
Too much booty for one man to handle,
When all i need is a one night scandal,
And ima get buck in here!!,
Damn lil' momma you know you fit my standards,
You the type to make me grip that handle,

Lick shots in the air, bustin' that random,
While you make it clap clap clap clap clap,
You gotta shake that thang, shake that thang,
While you make it clap clap clap clap clap,
Just shake that thang, shake that thang,

Hey yo..
Hey yo Felli...
Yo Felli let me get this one more time..

[Diddy:]
Listen,
Women lace em',
G for a jet commin,
Twisted,
Crooked,
Cell phone numbers,
Private,
Flip em change em,
Prissy and boogy the hood,
Game of taste em,
Prissy's im runnin' em good,
Leather or silk,
I'm melt them all,
Love em,
Leave em,
Give em hell for sure,
Tell them words they minds and souls deserve,
Or give em things they might prefer,
Sandrio pan,
Mandarin sweet massage oil,
Pimp,
Gamein',
Grants, and benz' I tried em
Used to style em,
Now just virgin island
Kamasutra freaky needs,

[Chours:]
Dont make me get buck in here!!,
Shorty drop em to the ground like she ain't got
manners,
Too much booty for one man to handle,
When all i need is a one night scandal,
And ima get buck in here!!,
Damn lil' momma you know you fit my standards,
You the type to make me grip that handle,
Lick shots in the air, bustin' that random,
(echo)
