I need a guarantee (eh,eh,eh...eh!)
Akon, and Flo Rida
The world is you with me?

When I'm in the club imma need me a few of the things
that the bar cant bring
First, theres money, second its me in the vip full of
guarantees

You gotta be down if im gunna spend the millions on ya
You gotta be down if im gunna spend the millions on ya
She gotta be down, gotta love, thats me, she gotta be
down for sure guarantee

Be down for the cause, be my misses set it off,
She can add to the po-po-po, had some Betsy Ross
B-b-Back up off the wall, satisfaction in my cause,
satisfaction for my dawgs

I need passion from these broads, in the club do your
strut, guarantee me some love
I need answers, keep the questions, lets agree to some
touch

Run the tab, let me grab, I dont need a paragraph, dont
like talkin on bout flossin, all the fraks on my staff

When I'm in the club imma need me a few of the things
that the bar cant bring
First, theres money, second its me in the vip full of
guarantees

You gotta be down if im gunna spend the millions on ya
You gotta be down if im gunna spend the millions on ya
She gotta be down, gotta love, thats me, she gotta be
down for sure guarantee

All out all in, ninety-nin point nine percent
girl you cant be hesitant, love your ex? excellent, want
for ex? lets be friends, unappreciated medicine, thats
a problem, I dont bother, not even no evidence

I need to know, one, when you gonna go get it done,
hun? two, you aint gotta be my boo, I gotta buggati I
want when Im at the bar, exclusive, shorty spit at me,
no mucus, that dont mean ill be your cupid, I aint stupid
baby, you can buzz

When I'm in the club imma need me a few of the things
that the bar cant bring
First, theres money, second its me in the vip full of
guarantees

You gotta be down if im gunna spend the millions on ya
You gotta be down if im gunna spend the millions on ya
She gotta be down, gotta love, thats me, she gotta be
down for sure guarantee

Definately a dime, right? when with me like flyin kite
only cash, shows and ice, give Flo Rida sacrifice, shorty
represent the night, stuntin feed the appetite, say the
price, paper tight, blow it like some candle light

VIP the whole clique, got the moon rock wrapped round
my wrist, im about to waste, dont trip, like back in the
day like 2 legit, where the love go? to my dub show,
were on the sexy ghetto, whered your new patron get
us?

When I'm in the club imma need me a few of the things
that the bar cant bring
First, theres money, second its me in the vip full of
guarantees

You gotta be down if im gunna spend the millions on ya
You gotta be down if im gunna spend the millions on ya
She gotta be down, gotta love, thats me, she gotta be
down for sure guarantee
