Up front, yeah
Senegal, yeah

Anyone in the place tonight
You don't wanna be a witness
Then walk away
(Akon!)
'Cause I'm a soldier that love to fight
And anyone in my path will die today
By my AK
(Gunshot!)
AK!
(Gunshot!)
AK!
(Gunshot!)
AK!
(Gunshot!)

Have you ever spent one day on my block?
Had to make good with crooked ass cops
Witness innocent by-standers get shot
Made a living ready or not we
(To stay true)
To all my niggas
Things getting hard but we still grinding up
(To stay true)
To all my niggas
Still don't came up and cops cribs by the river
Men we imported export keys
Before the feds came down on we
True bad man no counterfeit G's
Maybe wanna stick around and trust you will see that

Anyone in the place tonight
You don't wanna be a witness
Then walk away
(Akon!)
'Cause I'm a soldier that love to fight
And anyone in my path will die today
By my AK!
(Gunshot!)
AK!

(Gunshot!)

So playboy don't make me pull your card
(Okay!)
Buss a shot and separate your squad
(Okay!)
Gangsters never know who you are
(Okay!)
And where you from ain't never made you hard
(Okay!)

You could be from Africa or Asia
(Oh!)
America back a yard in Jamaica
(Oh!, oh!)
You could be from under the equator
(Oh!)
Regardless, I will see you later
(Oh!, oh!)

See you can run but it's hard to hide
(Oh!, oh!)
What will kill you inside
(Oh!, oh!)
Wait up man till you stand up right
(Oh!, oh!)
That's why we no 'fraid of warning signs
(Oh!, oh!)

Anyone in the place tonight
You don't wanna be a witness
Then walk away
(Akon!)
'Cause I'm a soldier that love to fight
And anyone in my path will die today
By my AK!

So we mash the place, run the place

Burn the place, say done the place
Top shotta we a ready to ride and we no easy joy and
no 'fraid to ride
So we mash the place, run the place
Burn the place, say done the place

You don't wanna be a witness
