(Feat. Plies)

(Intro) (Plies)

Hey what's happening homie  
This lil boy plies man  
I ran across a nice lil babe the other day homie  
Lil mama so bad she had me hypnotized  
Couldn't even get my eyes out off her  
Imma tell you how it feels to be hypnotized

(Chorus) (Akon)

You got me so hypnotized the way your body rolling  
round and round,  
That booty keep bumping titties, just bouncing up and  
down  
You got me so hypnotized the way your body rolling  
round and round,  
That booty keep bumping titties, just bouncing up and  
down

(Verse 1) (Plies)

It's 2 o'clock in the morning  
I'm yiked up and I'm horny  
All I need now is some moaning  
That pussy got me zonen  
O fine tell me she wanted  
She got it fuck how she on me  
I got it now cause she jonning  
I know in the panty she foamin'  
I locked eyes on that monkey  
I know she wet cause she told me  
That ass on her she pokin'  
Every nigga in here stokin'  
I see me up and I'm pocking  
She bend over and I'm stroking  
Her cheeks spread wide open  
I beatin' it and I'm focused

(Chorus) (Akon)

You got me so hypnotized the way your body rolling  
round and round,  
That booty keep bumping titties, just bouncing up and

down

You got me so hypnotized the way your body rolling  
round and round,  
That booty keep bumping titties just bouncing up and  
down,

(Bridge X2) (Akon)

Now do it some more (just like that), just do it some  
more (yes just like that), girl do it some more (now  
shake that ass, make a nigga like me spend that cash)

(Verse 2) (Plies)

She bad as hell and she swoll  
I'm tryn to play in her hole  
Lil mama down, she cold  
I fuck her once and she's sold  
I want her naked, no cloths  
I'm in the private shows  
No limits anything goes  
Imma let her ride me on her toes  
Just stand on front of me and pose  
You touch mine I touch yours  
Then get her sprung is my goal  
First time I seen her I froze  
I had to get her she know  
She worked then she fall  
Cause I'm too real and she know  
She want the goon and then show

(Chorus) (Akon)

You got me so hypnotized the way your body rolling  
round and round,  
That booty keep bumping titties, just bouncing up and  
down  
You got me so hypnotized the way your body rolling  
round and round,  
That booty keep bumping titties, just bouncing up and  
down

(Bridge X2) (Akon)

Now do it some more (just like that), just do it some  
more (yes just like that), girl do it some more (now  
shake that ass, make a nigga like me spend that cash)

(Chorus) (Akon)

You got me so hypnotized the way your body rolling  
round and round,  
That booty keep bumping titties, just bouncing up and  
down  
You got me so hypnotized the way your body rolling  
round and round,

That booty keep bumping titties, just bouncing up and  
down
