Bone thugs..Akon..Yea..

[Wish]

You know nothin comes easy

You gotta try real, real hard

michael tried hard..But i guess he's gotta try harder

{chrous}

[akon]

michael tried so hard

Can't seem to get away from misery

Man michael tried so hard

michael will always be a victim of these streets

It ain't his fault cuz he

try to get away but trouble follows him

and still michael tried so hard

Hoping one day you'll come and rescue me but

Until then

(bone thugs)

he'll be postin up right here

\*RAIN\* sleat hail snow (hail snow)

(akon)

but until then

(bone thugs)

he'll be postin up right here

wit my heat gettin low (gettin low)

[Krayzie]

First let me explain that he's just a white man

and he come from the darks \*\*\* so hes havin a hard  
time

stayin on track man

his mind be racin and he dont even know what hes  
chasin

hes been in and out of relationships

and hes startin so see that its him with the  
complications

but hes layin back prayin that

you get that piece of mind of me

he thought he was right but really he was wrong

but then again he was too blind to see

he was livin in the fast lane chasin his dream

and then he was in the fame and cash game and they  
just got him

goin crazy

and lately hes been so faded tryin to erase it

but he just cant cuz the drama just grows greater

and hes been in so many collisions but puttin \*\*\*\* off  
till later

{chorus}

[akon]

michael tries so hard

Can't seem to get away from misery

Man he tries so hard

he'll always be a victim of these streets

It ain't his fault cuz he

tries to get away but trouble follows him

and still he tris so hard

Hoping one day you'll come and rescue him but

Until then

(bone thugs)

he'll be postin up right here

\*RAIN\* sleat hail snow (hail snow)

(akon)

but until then

(bone thugs)

he'll be postin up right here

wit his heat gettin low (gettin low)

[Layzie]

Its like hes taking 5 steps forward, and 10 steps back

tryin to get ahead of the game but he cant seem to get it on track

and he keep runnin away from the ones that say they love him the most

how can he create the distance when its supposed to be close

and uh, he just dont know but hes been out here fightin demons and

its like a curse that he cant shake this part of cleveland and

lord, wont you help him

stop this pain he keep inflictin on my family

hustlin and gamblin (gamblin)

trickin and scramblin

and losin sight on what is supposed to be happenin  
(happenin)

its hard to manage cuz every days a challenge

and man hes slippin, cant lose his balance and hes  
tryin not to panic

{chorus}

[akon]

michael tries so hard

Can't seem to get away from misery

Man he tries so hard

he'll always be a victim of these streets

It ain't his fault cuz he

try to get away but trouble follows him

[Wish]

he see that things wont change, hes stuck in the game

as soon as he gets out it keeps pullin him back man

it got him doin dirty dirty

so used to this hustlin money that he dont understand  
no 9 to 5 work

studied on the streets, hustlers know what i mean

hustlers ballin before us, he try to make it majorly

so we never leave, never, til the sun came up

gotta get it no, no leavin

no love

[Layzie]

today, games they play gotta go hard to get what you  
put in

if you fall off then its all on you (on you)

gotta watch what you sign too

tried so hard but he wont play like a fool

[akon]

michael tries so hard

Can't seem to get away from misery

Man he tries so hard

he'll always be a victim of these streets

It ain't his fault cuz he

try to get away but trouble follows he

and still he tries so hard

Hoping one day you'll come and rescue he but

Until then

{Chorus}

(bone thugs)

he'll be postin up right here

ain't sleat hail snow (hail snow)

(akon)

but until then

(bone thugs)

he'll be postin up right here

wit my heat gettin low (gettin low)
