I know people say that they never will  
Be the ones to make you cry  
Baby girl I cannot die  
Your feelings will get hurt this time  
Believe me when I say  
That I'll never change the way I feel for you  
So baby let's not fuss or fight  
'Cause we just don't have that much time  
'Cause I'm wanted, baby

Should've told you a long time ago  
'Cause if I get caught up  
I just might not come home

'Cause I'm a wanted man  
Just wanna hold you in my arms  
'Cause one day I'll be gone  
'Cause I'm a wanted man  
When them boys come through it's so long  
You're gonna miss me when I'm gone
