Iâ€™m Losing It, Iâ€™m Losing it,  
She got me, she got me, got me,  
she got me, she got me gone.

Iâ€™m Losing It, Iâ€™m Losing it,  
She got me, she got me, got me,  
she got me, she got me gone.

She got my mind blown,  
I feel like Iâ€™m gone,  
Way outta my head, did ya hear wat I said?  
Itâ€™s with the lights on, and with the lights off,  
I know Iâ€™m kickinâ€™ , sheâ€™s so, that I donâ€™t even  
care.  
Iâ€™m not her type but I donâ€™t ever listen to it.  
They said, donâ€™t waste my time, i continue to do it  
she is super hot, gotta get her, I bet im not.  
Girl, I just wont stop, you even know.

Itâ€™s been so long long long loonng,  
All I do is stare, her lips are strong strong strong  
strongg.  
I didnâ€™t know it there, so am i wrong wrong wrong  
wrongg,  
Forgettin of the past, she got me gone gone gone  
gonnee,  
She donâ€™t even care,

Iâ€™m Losing It, Iâ€™m Losing it,  
She got me, she got me, got me,  
she got me, she got me gone.

What am I gunna do now?  
My heart aint makin a sound,  
count everybeat whenever this girl come come around  
Sheâ€™s so intreging

each and everytime I see her, see I count the feelin.

Anytime that I see her pretty face, pretty face,  
And the way she swing her hips on her waist, on her  
waist.  
Oh girl you take me to a whole other place,  
and the way i feel just wont go away, girl

It's been so long long long loonng,  
All I do is stare, her lips are strong strong strong  
stronngg.  
I didn't know it there, so when im wrong wrong wrong

Forgettin of the past, she got me gone gone gone

She don't even care,

Girl you are fire, oo you are burnin' up,  
You really take me higher when you turn me up.  
Girl you are fire, oo you are burnin' up,  
You really take me higher when you turn me up.  
Girl you are fire, oo you are burnin' up,  
You really take me higher when you turn me up.  
Girl you are fire, oo you are burnin' up,  
You really take me higher when you turn me up.

I'm Losing It, I'm Losing it,  
She got me, she got me, got me,  
she got me, she got me gone.
