For the record i'm sorry, for your feeling non

i'm sorry, for the trouble that i givin for the way did i  
believe in nickayy without you even  
i'm sorry, if you take me back i'll never lie  
i'm sorry, if you take me back i'll never make you cry  
i'm sorry, if you take me back i promise i'll try  
i'm sorry, girl i apologize
