Baby, I want you to know
Your gone but I can't let, can't let you go
Baby, I still love you so
But I'm on this island alone

Lets get away
Out to our island
and needless to say
I want to stay
I know we'll be safe
No one will find our own secret place
Far and away

Baby I love you but something is wrong
And I don't know if this is where we belong
Another day, on our island.
With tears on your face
You sailed away

Baby, I want you to know
Your gone but I can't let, can't let you go
Baby, I still love you so
But I'm on this island alone

Theres no escape
From our island
For me its too late
Theres nothing but heartache
And lonely days
Wind and the shore is my only embrace
As you sailed away

Baby I love you
But something is wrong
And can you forgive me if I don't come home?
Another day on our island
With tears on your face
You sailed away

Baby, I want you to know
Your gone but I can't let, can't let you go
Baby, I still love you so

But I'm on this island alone
