I beat you to the punchline
Girl I love you
Now what we
What we gon' do
I mean it really
When I say I love you
Whatever...
I will not do
Cause I hear your prayers
Late at night when noone's listening
Praying I stay the same

I'm not your father
I won't desert you
I'm not your ex
Not trying to hurt you
I'm just a man
Tryna love you
I'm just a man
Trying to love you

Your walls are so impossible
I'm tired
As i'm climbing
They keep on multiplying
Everytime there's progress
We regress
And i'm stressed
All I wanna know
Is why you can't let it go

I'm not your father
I won't desert you
I'm not your ex
Not trying to hurt you (oh no)
I'm just a man
Tryna love you
I'm just a man
Trying to love you

I'm not your father
I won't desert you

I'm not your ex
Not trying to hurt you (oh no)
I'm just a man
Trying to love you
I'm just a man
Trying to love you

Cause everything you ever want
Is standing right in front of you
Everything you ever need
I make sure I put by for you
And I know you're scared
And i've had my days too
Let's just face this thing together

I'm not your father
I won't desert you
I'm not your ex
Not trying to hurt you (no)
I'm just a man
Tryna love you
I'm just a man
Trying to love you
Yeah

I'm not your father
I won't desert you
I'm not your ex
I will not hurt you
I'm just a man
Tryna love you
I'm just a man
Trying to love you

Hey
Yeah
Give me that chance baby
I wanna love you
Said I wanna love you
Let me love you baby
Let me love you baby
Ohh
