Let them keep on calling

We just gon let them keep on calling baby, just keep
calling

So keep on calling

And for our supporters you know you can just keep on
calling as long as you want

Keep on calling

[Verse 1]

I used to be on the corner all day tryin figure out wats

Dope dealing and huggin the block i done found out it
aint gonna get me nowhere

Used to keep a 9 mili for protection

Just incase a nigga wanna to take my brain

Then the voice came down from the sky and said

Akon use your head

I had to re-evaluate my thoughts and think about what
got me this far

I had to keep a strong faith and believe in one day i
would be a star (a star)

But i knew that it wouldnt come easy (come easy)

But theres been a lotta hatin believe me (believe me)

Dispite all the bullshit we had to still work hard (to get
to where we are)

[Chorus]

When you hear them calling out Akon let them

Keep on calling

When you hear the world calling out P Money let them
Keep on Calling
Cuz we went through hell and back to get here so
Keep On Calling
Lemme hear you know lemme hear you know just
Keep on calling
