So please stay in your place

Better yet gone with no trace  
Other words please don't start no beef  
Now sip on your Chardonnay  
If the girls tipsy then fade away  
I can tell that you wanna play  
Cause it's written all over your face  
From here it's back to the block

(Uh huh!) Hopefully not back to the glock  
(Uh huh!) Got it made up but what if them cop  
If I don't get popped by them crooked a\*\* cops, no!
