Dont let it get to you No babe (Girl I know youre fed up
but things gon get a lot betta)
Dont let it get to you No babe (Dont wanna see you give
up
whatever you do dont let up)

Girl I know that things are hard now
and youre feelin like that your all alone(Feeling like
youre all alone)
Mom and dads no longer round now
cause now youre grown with kids of your own
Baby daddys no where to be found
Why you playin the role of mom and got beat
(Raising him all by youself)
Always home and cant go out now
Cant remember the last time that you were happy
Whatever you do

(Chorus)

Dont let it get to you No babe (Girl I know youre fed up
but things gon get a lot betta, Gon get a lot betta)
Dont let it get to you No babe (Dont wanna see you give
up
whatever you do dont let up)

Every man that you meet on the streets,
You lookin at him like hes an enemy (Just give us one
more chance)
Girl I know that you cant hurt nomore
You've been damaged, cant trust nobody
And I know that you can just move on, if you let your
past
go with the wind, and smile more often
You will find that guy that you always wanted, from
friend to husband
So girl dont let

(Chorus)

Dont let it get to you No babe (Girl I know youre fed up
but things gon get a lot betta, Gon get a lot betta)
Dont let it get to you No babe (Dont wanna see you give
up

whatever you do dont let up, dont let up baby)

No matter how bad things get
Girl dont let it get to you
I know your tryina make ends meet
So girl dont let it get to you
You only got one life to live
So dont let it get to you
So go on and make the best of it
Just dont let it get to you

(Chorus)

Dont let it get to you No babe (Girl I know youre fed up
but things gon get a lot betta oo oo oo oo)
Dont let it get to you No babe (Dont wanna see you give
up
whatever you do dont let up Whatever you do you do
