Verse 1

Allow me to take the blame

Everything I did, I did it all by myself, it was just *me,
myself & I*

Listen, Couldn't believe the things I went through,
because of all my wrong doings it was *me, myself & I*
Ooohhh listen, tryin' not to worry about a thing, but it's
hard when I put it all on myself it was *me, myself & I*
Ooohhh listen, all the trouble I got myself in, it was up
to me, couldn't depend on no one but *me, myself & I*
yeah...

Verse 2

Ooohhh listen, see I done left those streets alone, half
my niggas long, long gone and it's just me *me,
myself & I*

it be *me, myself & I*

Ooohhh listen, even though it felt good to be alone
It didn't feel good to walk in my home it just *me,
myself & I*
