Baby I just don't get it  
Do you enjoy being hurt  
I know you smelled the perfume  
The makeup on his shirt  
You don't believe his stories  
You know that they are lies  
Mad as you are  
You stick around  
And I just don't know why

If I was your man  
Baby you'd  
Never worry bout  
What I do  
I'd be coming home  
Back to you  
Everynite  
Doing you right  
You're the type of woman  
Deserve good things  
Fist full of diamonds  
Hand full of rings  
Baby you're a star  
I just wanna show you  
You are

You should let me love you  
Let me be the one to  
Give you everything you want and need  
Baby good love and protection  
Make me your selection  
Show you the way love suppose to be  
Baby you should let me  
Love you  
Love you

Love you  
Love you  
Yeah  
Listen

Your true beauty's description  
Looks so good that it hurts  
You're a dime plus 99  
And its a shame  
You don't even know what your worth  
Everywhere you go  
They stop and stare  
Cause you're bad and it shows  
From your head  
To your toes  
Out of control  
Oh baby you know  
If I was your man  
Baby you'd  
Never worry bout  
What I do  
I'd be coming home  
Back to you  
Everynite  
Doing you right  
You're the type of woman  
Deserve good things  
Fist full of diamonds  
Hand full of rings  
Baby you're a star  
I just wanna show you  
You are

You should let me love you  
Let me be the one to  
Give you everything you want and need  
oh Baby good love and protection  
Make me your selection  
Show you the way love suppose to be  
Baby you should let me

You deserve better  
You know you deserve better  
We should be together girl  
Baby  
With me and you it's whatever girl  
Hey so can we make this thing ours

(Adlib +chorus til fade)  
You should let me love you  
Let me be the one to give
