Hello, my name is not Mr. Right but you can be my

But I'ma be your Mr. Right now, right now, right now,
right now

Broken rules have broken laws have broken hearts

And if you put me on baby I'll break you off, this is the
third mundo, take it off, haha
You know the game plan, I'm a quarter back with hops
â€¦!
I wanna go deep, hell mary, amen,
But tell your friend don't block us, our â€¦! can watch us
You know what time it is with no watch us
I'm not Mr. Righteous, I'm Mr. Right now, baby

Hello, my name is not Mr. Right but you can be my
missis tonight
I know you're looking for a good guy, but I can
guarantee a good time
Hello, my name is not Mr. Right but you can be my
missis tonight
I know we're only fooling around, I'm never gonna be
your Mr. Right
But I'ma be your Mr. Right now, right now, right now,
right now

Mama you can't be seriously, looking for something

I'm a lot of fun, best bang, no headaches, I hit and run,
haha
You can thank me later, give me a second let me thank
these haters
Thank you I can push, spoon, nimble, lick, bite, oh, and
spank you
You can call all your girls over â€¦!
Let me buy them a drink too, I'm not Mr. Right, I'm Mr.
Right now, baby
