[Intro/Verse1]

It's been so long,
that I haven't seen your face,
I'm trying to be strong,
but the strength I have is washing away.
it won't be long,
before I get you by my side,
& just hold you, tease you, squeeze you, tell you whats
been on my mind.

[Chorus]

I wanna make up right now na na,
I wanna make up right now na na,
wish we never broke up right now na na,
we need to link up right now na na,
I wanna make up right now na na,
I wanna make up right now na na,
wish we never broke up right now na na,
we need to link up right now na na,

[Verse2]

Girl I know, mistakes were made between us two,
& we showed,
our eyes that night, even said somethings weren't true,
why'd you go?
I haven't seen my girl since then,
why can't it be the way it was,
cause you were my Homie, lover, and friend...

[Chorus]

I wanna make up right now na na,
I wanna make up right now na na,
wish we never broke up right now na na,
we need to link up right now na na,
I wanna make up right now na na,
I wanna make up right now na na,
wish we never broke up right now na na,
we need to link up right now na na,

[Bridge]

I can't lie, [miss you much]
watching everyday that goes by, [I miss you much]
til I get you back I'm gon' try, [yes I miss you much]

cuz you are the apple of my eye, [girl I miss you much]
I can't lie, [I miss you much]
watching everyday that goes by, [I miss you much]
til I get you back I'm gon' try, [yes I miss you much]
cuz you are the apple of my eye. [girl I miss you much]

[Chorus]

I wanna make up right now na na,
I wanna make up right now na na,
wish we never broke up right now na na,
we need to link up right now na na,
I wanna make up right now na na,
I wanna make up right now na na,
wish we never broke up right now na na,
we need to link up right now na na,

[Outro]

I want you to fly with me, [want you to fly]
I miss how you lie with me, [miss how you lie]
just wish you could dine with me, [wish you could dine with me]
the one that'll grind with me, [said the one that will grind with me]
I want you to fly with me, [want you to fly]
I miss how you lie with me, [ohh miss how you lie]
just wish you could dine with me, [wish you could dine]
the one that'll grind with me. [ohh the one that'll grind]...

[Chorus]

I wanna make up right now na na,
I wanna make up right now na na,
wish we never broke up right now na na,
we need to link up right now na na,
I wanna make up right now na na,
I wanna make up right now na na,
wish we never broke up right now na na,
we need to link up right now na na,
