So loosen up, cause you in for the time of your life  
We gotta perfect credit  
The best never forget it  
Never say no one ball like this before  
I guarantee ya

No One Can Do It Better  
No One Can Do It Better  
No One Can Do It Better  
No One Can Do It Better  
No One Can Do It Better

I'm about to break it down and show you why we the  
best now  
We gotta step it up cause we ain't lame as the rest now  
But why are you ...  
I'll show you how to get it!  
But first you have to show me side you're represented.

Left, right, side to side  
Let me see which side is mine  
Left, right, side to side  
Let me see which side is mine  
Left, right, side to side  
Let me see which side is mine  
Left, right, side to side  
Let me see which side is mine
