My binoculars on, alone,  
Staring out of my window,  
I see the best creation of  
Woman that i ever saw in  
A long, long time

Some say it is wrong  
But what if she knows  
That i am spying on her  
Would she strip down  
Naked and entertain me

Oh my God shes doing it

Taking it of (x5)

She's getting naked (x4)

She threw her shirt  
(Off on the floor)  
Then threw her bra  
(Off on the floor)  
Then threw her skirt  
(Off on the floor)  
Then threw her drawers  
(Off on the floor)

(I can't believe )  
(She's getting naked)  
(x4)  
I'm wanting her, off on the floor  
On top of her, off on the floor  
No stopping her, off on the floor

She knows i'm watching her, off on the floor..

(I cant believe)  
(She's getting naked)  
(x4)

My binoculars on, alone,  
Staring out of my window,

I see the best creation of  
Woman that i ever saw in  
A long, long time

Some say it is wrong  
But what if she knows  
That i am spying on her  
Would she strip down  
Naked and entertain me

Oh my God shes doing it

Taking it of (x5)

She's getting naked (x4)

She threw her shirt  
(Off on the floor)  
Then threw her bra  
(Off on the floor)  
Then threw her skirt  
(Off on the floor)  
Then threw her drawers  
(Off on the floor)

I can't believe  
(She's getting naked)  
(x4)

I'm wanting her, off on the floor  
On top of her, off on the floor  
No stopping her, off on the floor

She knows im watching her, off on the floor..

I can't believe

Oh my God she's doing it  
TAKING IT OFF!

My binoculars on, alone,  
Staring out of my window, taking it off  
I see the best creation of  
Woman that i ever saw in  
A long, long time, taking it off

Some say it is wrong  
But what if she knows

Would she strip down  
Naked and entertain me

Oh my God shes doing it, taking it off

Taking it off (x4)  
She's getting naked (x4)
