Just came from the corner, what
know about ?
All because of the informers
Everythang shut down
In the hood certain rules apply
Depending on whoâ€™s trying to
survive
Itâ€™s not safe, itâ€™s not safe
Just came from the border
From a whole another town
Dope dealers getting murdered
Buried underground
Cause in the desert killers
multiply
Will probably sing you a lullaby
Itâ€™s not safe, itâ€™s not safe
Why do I have to ride with a
gun on my side
And pip the peace
Hope my enemies donâ€™t conquer
me,
But who knows, but how
knows
But who knows, but who
knows
Where Iâ€™d be without the recipe
? in a townâ€™s compound
Being taught how to slaughter
Blowing buildings to the ground
Cause in life no rules apply
Depending on whoâ€™s trying to
survive
Itâ€™s not safe, no itâ€™s not safe
Live life straight forward, still
pray itâ€™s pounding
Youâ€™re the worldâ€™s most wanted
and you still canâ€™t be found
In the desert killers multiply,
And water runs out and the
world goes dry
Youâ€™re not safe, no youâ€™re not
safe

Why do I have to ride with a
gun on my side
And pip the peace
Hope my enemies donâ€™t conquer
me,
But who knows, but how
knows
But who knows, but who
knows
Where Iâ€™d be without the recipe
