### Verse # 1

I'm here at the crossroad

where my life is heading man, I don't know.

Should I stay or should I go

cause anything's better then what I've been through

What I would give to get a sign from up above.

Letting me know that everything would be ok

I wish someone would pull me up from outta the mud

will anyone out there to say to me

### Chorus

I'm here,(im here) For you, (for u)

Don't worry cause I got you ( I got u babeehh)

Don't trip (dont trip)

Don't stress (don't stress)

My life seems 2 be headed

Over the edge (feels like im headed) (4x)

### Verse # 2

Now everyday that goes by,

I see things that'll makes another man cry

I'm sitting wondering why

I can't find that someone to fit in my life

see i was searching, But am i worth it

And if they ever think I'm good enough for them

Despite my suffering, I felt the loven, The blessing  
came

when i needed it the most

And thats the sign that i recieved from up above letting  
me,

Know that everything is going to be ok  
And that was that something that pulled me out of the  
mud

And also was the one that said to me

chorus

I'm here,(I'm here) For you ( for u)

Don't worry cause I got you (I got u babeehh)

Don't trip (don't trip)

Don't stress (don't stress)

My life seems to be headed

Over the edge (feels like im headed) (4x)

No mater, no matter, how far u fall down  
u gotta u gotta be ready to stand up  
I've been thru the same things u going thru, now  
but u gotta believe in you (2x)

(cuz i got u)

I'm here,(I'm here) For you ( for u)

Don't worry cause I got you (I got u babeehh)

Don't trip (don't trip)

Don't stress (don't stress)

My life seems to be headed

Over the edge (feels like im headed) (4x)

i'm here (and i'm here 4 u)  
4u (and i need u to)  
don't worry cuz i got u (stand up)  
don't trip ( i'm here 4 u)  
don't stress (and i need u to)  
my life (stand up)  
seems to be headed, over the edge,  
over the edge, over the edge  
feels like im headed over the edge..=)
