Ft. Young Swift

Chorus:

Girl, do your things, let's play rings around the Rose  
Money in the air and my pockets full of more cheese  
Asses, asses, drop them to the floor, please  
Pick it up, bring it back, put that pussy on me!  
Put it on me, baby put it on me  
Put it on me, put that pussy on me  
Put it on me, baby put it on me  
Put it on me, put that pussy on me

..bounce like it's track,  
I love the way she's dropping low  
I show her how to act, directing is how this movie go  
Break that back, now welcome to the show  
She got a lot of niggas on the line  
Spend a lot of money, trying to get me between her  
thighs  
Hey, hey and they say she's worth a dollar  
Have you crawling like a dog with your own collar

Chorus:

Girl, do your things, let's play rings around the Rose  
Money in the air and my pockets full of more cheese  
Asses, asses, drop them to the floor, please  
Pick it up, bring it back, put that pussy on me!  
Put it on me, baby put it on me  
Put it on me, put that pussy on me  
Put it on me, baby put it on me  
Put it on me, put that pussy on me

Got on that cold.. courtesy of a homie  
And it's hotter than ice, baby come and put it on me  
something like every night twenty on me  
I'm talking one night only, not like my one and only  
Bad bitch, die in peace  
Wanna fuck now cause they  
It ain't hard to provide me  
Just get in mind, never mind me  
Got a couple of niggas that's fly, see  
Couple of niggas, that's grinding me

No few hoes that do hoes, that pop bottles, my..  
Uh, standing on the couch, baby on this shit  
We're the flyest niggas on this shit in here  
Who are you fucking with?  
Put it where you canâ€¦ my girl shared a dick  
Now put that pussy on me like I'm wearing it

Chorus:

Girl, do your things, let's play rings around the Rose  
Money in the air and my pockets full of more cheese  
Asses, asses, drop them to the floor, please  
Pick it up, bring it back, put that pussy on me!  
Put it on me, baby put it on me  
Put it on me, put that pussy on me  
Put it on me, baby put it on me  
Put it on me, put that pussy on me

She got ass, so I told her move it slowly  
She said she bought it, so I told that bitch to show me  
Bounce that pussy open, she said "daddy, daddy, OK!"  
Put that pussy on me, like daddy have it your way!  
Girls, can I know she got that wet, wet  
Long hair, pretty skin, you know a nigga like that  
Cause I beat it up, I told her, don't you fight back  
Fuck around, and threw it back, told me how you like  
that!

Chorus:

Girl, do your things, let's play rings around the Rose  
Money in the air and my pockets full of more cheese  
Asses, asses, drop them to the floor, please  
Pick it up, bring it back, put that pussy on me!  
Put it on me, baby put it on me  
Put it on me, put that pussy on me  
Put it on me, baby put it on me  
Put it on me, put that pussy on me
