It's been so long, that I haven't seen your face  
I'm tryna be strong,  
But the strength I have is washing away  
It won't be long, before I get'cha by my side  
And just hold you, tease you, squeeze you  
Tell you what's been on my mind

I wanna make up right now na na  
I wanna make up right now na na  
Wish we never broke up right now na na  
we need to link up right now na na

I wanna make up right now na na  
I wanna make up right now na na  
Wish we never broke up right now na na  
we need to link up right now na na

Girl, I know mistakes were made between us two,  
And we showed our ass that night,  
Even said some things weren't true,  
Why'd you go? And haven't seen my girl since then,  
Why can't it be the way it was?  
'Cause you were my homie, lover, and friend

I wanna make up right now na na  
I wanna make up right now na na  
Wish we never broke up right now na na  
We need to link up right now na na

I wanna make up right now na na  
I wanna make up right now na na  
Wish we never broke up right now na na  
We need to link up right now na na

I can't lie,  
I miss you much,  
Watching everyday that goes by,  
I miss you much,  
'Til I get you back I'm gonna try,  
Yes I miss you much,  
You are the apple of my eye,

Girl, I miss you much,  
I miss you much

I can't lie,  
I miss you much,  
Watching everyday that goes by,  
I miss you much,  
'Til I get you back I'm gonna try,  
Yes I miss you much,  
Yes you are the apple of my eye,  
Girl, I miss you much,  
I miss you much

I wanna make up right now na na  
I wanna make up right now na na  
Wish we never broke up right now na na  
We need to link up right now na na

I wanna make up right now na na  
I wanna make up right now na na  
Wish we never broke up right now na na  
We need to link up right now na na

I want you to fly with me,  
Want you to fly,  
I miss how you lie with me,  
Miss how you lie,  
Just wish you could dine with me,  
Wish you could dine  
One that would grind with me  
One that would grind

I want you to fly with me  
Want you to fly,  
I miss how you lie with me,  
Ohh, miss how you lie,  
Just wish you could dine with me,  
Wish you could dine,  
One that would grind with me  
Oh, one that would grind

I wanna make up right now na na  
I wanna make up right now na na  
Wish we never broke up right now na na  
We need to link up right now na na

I wanna make up right now na na  
I wanna make up right now na na  
Wish we never broke up right now na na  
We need to link up right now na na
