yeaaahhh

When i ride you ride and your girlfriends can follow my  
guys if we lose them they will find us either way its  
gonna get so exciting  
my mind its about time to hit the lights and start  
carressing those thighs she love it cause she wanna do  
me with the lights on,

she want sex with the lights onn

she want sex with the lights onnn

she want sex with the lights on

she want sex with the lights onn

its what she say while im jumping her boat or bone ?

tell me oh why am i lookin at a woman so fine oh me oh  
my never thought that id be staring at a goddess my  
ego my pride wont let me leave without her tonight can  
you believe it once i got her to the crib she turned the  
lights on.
