Feat. Sway

Ooooooooooooooh

Yeah

Akon and Sway

Konvict (Konvict,Konvict)

That girl ain't no joke

I love the way she roll

Especially when she working going up and down that pole

Cause she's a professional and she'll stick you up without a weapon, oh she's so cold

If you don't know she'll rob you for your silver and gold (gold, gold, gold, gold)

She will take it and go (go, go, go, go)

For your silver and gold (gold, gold, gold, gold)

She will take it and go (go, go, go, go)

If you don't know...

Just hopped off a plane

Name just popped up again

UK just got hot again

Konvict Muzik, top for the game

I'm in the club and I'm watching the dame

Who's in love cause she's watching the watching the chain

And where there is drop over range

One thing is for sure

It's the top of the range

Clubs about to close

Follow me to my crib, come without your clothes

Most girls are happy with a rose

She rather have bottles of rose hennessy and mo

She's out for the dough

She'll bounce for anyone with an account full of 0s

Got bounced from anyone when her account gets low

Cause money money money makes the girls get low

That girl ain't no joke

I love the way she roll

Especially when she working going up and down that pole

Cause she's a professional and she'll stick you up  
without a weapon, oh she's so cold  
If you don't know she'll rob you for your silver and gold  
(gold, gold, gold, gold)  
She will take it and go (go, go, go, go)  
For your silver and gold (gold, gold, gold, gold)  
She will take it and go (go, go, go, go)  
If you don't know...

Yeah I wanna beat, got the whole club feeling like rio on  
the beach  
She got them pretty Louis V upon her feet  
And she loves me cause I'm a CEO of my team  
And she could tell where you came,  
Running with Akon but I ain't T-Pain  
Get a little change, but I exchange pounds  
Make it thunder in the club, who da hell needs rain  
Baby love glamor she ain't never been played  
She loves London but she ain't never been Spain  
She's always tellin me how much she loves my accent  
But she's thinkin to herself, what the hell is he saying  
Yeah she's out for the dough  
She'll bounce for anyone with an account full of 0s  
Got bounced from anyone when her account gets low  
Cause money money money makes the girls get low

That girl ain't no joke  
I love the way she roll

For your silver and gold (gold, gold, )  
She will take it and go (go, go, go, go)  
If you don't know...

If you never been exposed  
You better be...  
Ready for this type of woman  
Cause shes' outta your league  
I watched her make the most powerful men just crawl  
on their knees  
Beggin for mercy...

That girl ain't no joke  
I love the way she roll  
Especially when she working going up and down that  
pole
