[Intro]

Street anthem! (Yessir)  
Three 6 Ma-fi-UHHH!  
New Three 6 Mafia, Akon  
Goin down, yessir  
[cell door slams] {Konvict}  
Hypnotize Minds! (Yessir)  
This what thugs are made of man! (Yessir)  
This where we come from  
This the artery of the streets man  
The heart of it!

[Chorus: Akon]

Despite what you heard, or what you saw  
When you look at me man you see hardcore  
A real street hood nigga, wish a nigga would nigga  
I can give a damn what you think about it all  
If you think I'm CRAZY!! That's right  
If you think I'm lazy (you're damn right)  
Cause it don't really matter what you think about me  
Nigga, f\*\*k you pay me~! That's right

[Verse One]

9-9-6, got my hands on my first mill'  
Now it's oh-seven, damn near at a quarter bill'  
Enemies close, but my 45's closer  
You can be the starter, but I'ma be the closer  
Damnin what these haters sayin, damnin what these  
haters thoughts  
I reside in mansions they don't, it ain't my fault  
Half of the shit I do I do it just to make these suckers  
mad  
And the rides they claimin to get, I already had  
Ten dollar tees, but the jeans 1500  
Your lifetime dreams I done already done it  
Plus I done it wit'cha wife, she said I made her night  
But I didn't hit her back cause her mouth wasn't right

[Chorus: Akon]

Despite what you heard, or what you saw  
When you look at me man you see hardcore

A real street hood nigga, wish a nigga would nigga  
I can give a damn what you think about it all  
If you think I'm CRAZY!! That's right  
If you think I'm lazy (you're damn right)  
Cause it don't really matter what you think about me  
Nigga, f\*\*k you pay me~! That's right

[Verse Two]

Yessir e'rybody in my clique we dra-aa-aank  
E'rybody in my clique got ba-aa-aank  
E'rybody in my clique we ba-aa-all  
Gold teeth nigga comin straight from Nor-naw-aw-ath  
E'ryday we hustlin just like Rick Ro-aw-oss  
E'ryday we strugglin and e'ryday we sto-aww-omp  
These niggaz cain't f\*\*k with my hood, we de-ee-eep  
The last thing you see is the bottom of my fe-ee-eet  
And I don't give a damn my nig, I'm a fool, I'm a fool  
Get the f\*\*k from 'round here, shoulda knew, shoulda  
knew  
Head crackin ya dig, what it do, what it do  
And underneath the seat is the heat, I'ma shoot, I'ma  
shoot

[Chorus: Akon]

Despite what you heard, or what you saw  
When you look at me man you see hardcore  
A real street hood nigga, wish a nigga would nigga  
I can give a damn what you think about it all  
If you think I'm CRAZY!! That's right  
If you think I'm lazy (you're damn right)  
Cause it don't really matter what you think about me  
Nigga, f\*\*k you pay me~! That's right

[Akon - repeat 4X to fade]
