See that girl there, looks so good
But simply i don't trust her
And the things she wears
got me feelin so eco feel like a buster ?

She got me so high
One touch of her mind and thats the reason i lost her
Cz im that type a guy
Got nothing to hide
Simply i wanna plug ya

(Bobby Moon)
Sun shining from acroos the room
looking so sexy staring right at me ?
There's something about the way she moves
got me hypnotized; it's the hips and thighs
Not the type of guy to waste no time
Only got one thing that's on my mind
So fly that you got me sprung ?
Got me speaking in tongues
Tere Ankon keh nashein mein
Sason ki yeh dharmi
Meri dil ki dhadkan

(Akon)
See that girl there, looks so good

She got me so high
One touch of her mind and thats the reason i lost her

Simply i wanna plug ya

(Bobby Moon)

Something bout her so mysterious
Got my attention, no question
Things about me so sexual
Wanna bet, put it on me girl?
Not the type of guy to waste no time
Only got one thing that's on my mind
So fly that you got me sprung ?
Got me speaking in tongues
Tere Ankon keh nashein mein
Sason ki yeh dharmi
Meri dil ki dhadkan

So affective what shall i do
Kya karu ya kya na karu
Can't keep my hands off of you
Ye kya baat, ye dil kya hoo wa?
So whats the deal, you coming with me
You got what i want
I got what you need
If you don't want no one to know?
Nobody will know
Girl it's just you and me
Tere Ankon keh nashein mein
Sason ki yeh dharmi
Meri dil ki dhadkan

(Akon)

See that girl there, looks so good
But simply i don't trust her
And the things she wears
got me feelin so eco feel like a buster ?
