(Feat. E-40)

[Chorus - Akon]

Konvict

Akon! and E-40... Yeah...

I know you aint used to havin  
Real niggas around like me around  
I'm here to change

To your whole life girl,  
So you don't deal with clowns  
And treat you

Like a superstar that you are  
Cause I'm a superstar too  
And I know exactly

What I must do to make you...  
Feel! I'm about to wake it up!  
Feel! See I'm about to wake it up!  
Feel! I'm about to wake it up!  
Don't It feel so good girl  
Feel! I'm about to wake it up!  
Feel! See I'm about to wake it up!  
Feel! I'm about to wake it up!  
Don't It feel so good girl

[Verse One - E-40]

I keep it 100's,  
Don't carry nothing but 100's  
I'm trying to wake it up,  
I'm on your line like Vonage  
I'm a real one, Ma!  
Get rid of that clown,  
Get with a factor  
Patna don't count,  
He a lame he don't matter  
Shining like a big dipper,  
Glowing like a star  
Lookin up a paw,  
Pullin up in my car  
Walked right up to the front  
Where the bosses park at  
I got a cold mouth piece  
Can talk a chick out her check

Security loves me,  
Let me in with no sweat  
I see asian persuasion,  
Caucasian,  
All kinds of chicks  
Milk skin, chocolate boned,  
Lambs and Haitians  
Tryna take me something home  
And have some relation

[Chorus - Akon]

I know you aint used to havin  
Real niggas around like me around  
I'm here to change  
To your whole life girl,  
So you don't deal with clowns  
And treat you  
Like a superstar that you are  
Cause I'm a superstar too  
And I know exactly  
What I must do to make you...  
Feel! I'm about to wake it up!  
Feel! See I'm about to wake it up!  
Feel! I'm about to wake it up!  
Don't It feel so good girl  
Feel! I'm about to wake it up!  
Feel! See I'm about to wake it up!  
Feel! I'm about to wake it up!  
Don't It feel so good girl

[Verse Two - E-40]

Good God Almighty! Look at that body  
What you holdin? Girl you a banger!  
You ain't off the back porch,  
You're off the HANGER!  
You working with something,  
You gotta personal trainer?  
Whole crew fine but you're one of a kind  
You a ten piece, shawty you a dime  
Back that thang up, baby press rewind  
Imma Scorpio, Shawty what's your sign?  
I'm just tryna know you, hold a conversation  
Spoil you a lil', lightweight cupcakin'  
Spend a lil gouda, get your hair done up  
Imma show you how a tycoon wake that thang up

[Chorus - Akon]

Girl you're killing me, wait a minute  
Love the way you that shake it up  
Too natural to make it up  
Won't be long before we wake it up
