Oooh Oooh Oooh Oooh

[Verse 1: Colby O'Donis]

I peeped you on the phone

Just showin' off ya stones

And notice that that pinky ring is right enough baby

I know you're not alone

But I could just be wrong

The way them fellas houndin' and sizin' you up baby

[Hook:]

And I like the way you take advantage of every man
you love

I see, I seem to know your game girl

But I don't mind if ya come and play ya thug just don't
talk too much

I see you, you're so cute, you don't have to say a word

Yeah those guys wanna come treat ya right

Cause you're sweeter than apple pie

Everything that you want you got

Girl you know that you need to stop

Most beautiful thing in sight

Always takin' on the spotlight

Always in the club lookin hot

Girl you know that you need to stop

[Chorus:]

Always talkin' bout what you got (Eh)

Always talkin' bout what you got (Eh)

Always talkin' bout what you got (Eh)

Girl you know that you need to stop

Always talkin' bout what you got (Eh)

Always talkin' bout what you got (Eh)

Always talkin' bout what you got (Eh)

Girl you know that you need to stop

[Verse 2: Colby O'Donis]

Girl I can tell you want something to love

That's why you hold on to everything that pass you by

Can't resist girl one can't lie

Now tell if you are here for me

Or everybody watchin' you shake from left to right

The way you move got me hypnotized

[Hook:]

The way you take advantage of every man you love
I see, I seem to know your game girl
But I don't mind if ya come and play ya thug just don't
talk too much
I see you, you're so cute, you don't have to say a word
Yeah those guys wanna come treat ya right
Cause you're sweeter than apple pie
Everything that you want you got
Girl you know that you need to stop
Most beautiful thing in sight
Always takin' on the spotlight
Always in the club drunk and high
Girl you know that you need to stop

[Chorus:]

Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Girl you know that you need to stop
Always talkin' bout what you got (Oooh)
Always talkin' bout what you got (Oooh)
Always talkin' bout what you got (Oooh)
Girl you know that you need to stop

[Verse 3: Akon]

Our eyes away from you girl when you get on the floor
and do what you do
And errbody wanna come back to that bod and kind of
remind myself I'm like you
Be sure that type drive a man crazy and snatch him
away from his lady
No matter how hard the man hold back he'll end up
callin' you baby
And they never really know what to do once you expose
that thang you do
Ya had him crawlin' on hands and knees and ya find a
way to get him out that cheese
And why ya thinkin' that you the only dude she off in
the mall livin' off of you
Lettin' errbody know she got you but now you feel like a
fool

[Hook:]

Yeah those guys wanna come treat ya right
Cause you're sweeter than apple pie
Everything that you want you got
Girl you know that you need to stop
Most beautiful thing in sight

Always takin' on the spotlight
Always in the club lookin hot
Girl you know that you need to stop

[Chorus:]

Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Girl you know that you need to stop
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Always talkin' bout what you got (Eh)
Girl you know that you need to stop
