Akon:  
Just talk about you and me  
There's a reason why your sitting there feeling so  
lonely  
Spending falls slowly??  
We can recall the days you was actin so phonie,  
I know you thought you knew me,  
Only thing that you knew is that I was gettin that money,  
So baby dont you believe me,  
When I say that one day you will really get to know me,  
We can roll through the city,  
you can be under my arm as my lil tendaroni,  
Dont respond, just hold me,  
wont let a day pass without making you want me
