Locked up, they won't let me out
And I had a long day in court shit stressed me out
Won't gimme the bail they can't get me out
Now I'm headed to the county

Gotta do a bid here, I'm used to living luxurious
I don't wana live here, the walls is gray the clothes is
orange
The phones is broke, the food is garbage
A lot a niggas is livin' with these circumstances

SP's the same I still murk ya manz'z
Drug money to rap money work advances
Niggas ran and told that I shoulda murked to Kansas
Nigga got popped for a murda attempt
Knocked me on d block when I was burning the hemp

Had a brick in the stash hope they don't take to a
further extent
Locked up and they won't let me out
When I hit my cell block, niggas know the threat be out

I'm steady tryna find a motive, why do what I do?
Freedom ain't gettin' no closer, no matter how far I go
My car is stolen, no registration, cops patrolin'
And now they done stop me and I get locked up

They won't let me out, they won't let me out
(I'm locked up)
They won't let me out no, they won't let me out
(I'm locked up)

They won't let me out, they won't let me out
(I'm locked up)
They won't let me out no, they won't let me out

Headin' up town to re up, back with a couple peeps
Corner blocks on fire, under covers dressed as feens
Makin' so much money, products movin' fast
Put away the stash and as I sold the last bag
Fucked around and got locked up

They won't let me out, they won't let me out
(My nigga I'm locked up)
They won't let me out no, they won't let me out
(I got locked up)

They won't let me out, they won't let me out
(Baby girl I'm locked up)
They won't let me out no, they won't let me out

Now that I'm locked up I rep two sets so
I'ma ride or die and stay de blocked up
Two tooth brushes up, whoever wanted with P
When I walk by nigga get up, 'cuz I'm locked up

They can't get me out, I smoke a stick of haze
When they stress me out, go and hit the bar
When the reds be out, can't wait for the day when they
let me out

'Cuz visitation no longer comes by
Seems like they forgot about me
Commissary is getting empty
My cell mates getting food without me

Can't wait to get out and move forward with my life
Got a family that loves me and wants me to do right
But instead I get locked up

They won't let me out, they won't let me out
(I'm locked up)
They won't let me out no, they won't let me out
(My nigga I'm locked up)

They won't let me out, they won't let me out
(I'm locked up)
They won't let me out no, they won't let me out
('Cuz I'm locked up)
