(V) He took my hand, you know in that way,  
and gave me his trust  
but did I know that the very next day  
our relationship had gone bust  
It's not the first time  
I must admit  
The thing is I didn't doubt him a little bit

(B) Shall I let him back?  
No, no babe.  
Shall I let him back?  
He'll do it again, yeah.  
Shall I ditch him then,  
No, no babe.  
Shall I ditch him then?  
But then you'll be lonely. (Yeah, yeah.)

(C) My heart says yes,  
My heart says no.  
Oh help me please I don't know where to go.  
My heart says no,  
My heart says yes,  
I'm so confused  
this is a test.  
This is a test

I never knew it would turn out this way  
No, no, no!  
I'll just get on with another day!  
Yeah, yeah!  
Shall I let him back?  
Shall I ditch him then.  
My answer is, maybe.
