Yo, yo..

[Chorus: Akrobatik]

Now if you lovin hip-hop say yes {"Yes, yes!"} And if you feelin hip-hop say word {"Say word"} Say word if you love it when a nigga grab the mic and kick some shit that you was glad you heard {"Worrrrrd up!"}

Now if you lovin hip-hop say word {"Say word"} And if you feelin hip-hop say yes {"Yes!"} Say yes if you love it when a nigga grab the mic and everytime he do the shit sound fresh {"Yes!"}

[Akrobatik]

Yo, I must initiate, lyrical inertia The type that'll coerce ya, to elevate your shit I devestate your situation, build and destroy When it comes to Satan, I kill and enjoy I chill and employ the tactics, of stretchin MC's minds like prophylactics Turn methods of meaning intergalactic Right now, they think too locally So when they grab the steel they tend to bullshit vocally Old school like rotary phones and roto-rooter but still I got the vision for the future (aight?) Yo, I shoot to fill heads dreads or otherwise Check it as this brother rise over these other guys who smother lies all in your face - FUCK DAT! I'm bringin skills back to where the previous sucked at No time for slackin durin the verbal slaughter The sharks swim the other way when I'm in the water

[Chorus: Akrobatik]

So if you lovin hip-hop say word {"Word!"} And if you feelin hip-hop say yes {"Yes!"} Say yes if you love it when a nigga grab the mic and everytime he do the shit sound fresh {"Yes!"}

Now if you lovin hip-hop say yes {"Yes!"} And if you feelin hip-hop say word {"Say word"} Say word if you love it when a nigga grab the mic and kick some shit that you was glad you heard {"Word!"}

No shit, now check it out..
{"Come on an', come on an' just.."}
{"Come on an', come on an' just.."}

[Akrobatik]

Yo, the outcome's already determined This joint is burnin whoever it's concernin so start learnin

For this type of shit, hip-hop fans is yearnin
As the world keeps turnin respect I keep earnin
Sendin sonic waves to the globe's four corners
Reachin happy carefree kids to war mourners
Supporter of the cause to uplift the craft
so the average MC can't fuck with the half
The illest scientist can't fuck with the math
of the rugged block avenger on a mission like Shaft
Yo, you can check the graphs statistics and
percentages

They all say that Akrobatik's style is what vintage is Breakin down intergers to fractions Brothers hear the facts then ask when Akrobatik's comin back in

No time for slackin durin the verbal slaughter The current swims the other way when I'm in the water

[Chorus: Akrobatik]

Now if you lovin hip-hop say yes {"Yes!"} And if you feelin hip-hop say word {"Say word"} Say word if you love it when a nigga grab the mic and kick some shit that you was glad you heard {"Worrrrrd up!"}

Now if you lovin hip-hop say word {"Say word"} And if you feelin hip-hop say yes {"Yes, yes!"} Say yes if you love it when a nigga grab the mic and everytime he do the shit sound fresh {"Yes!"}

{"Yes!"} {"Word!"} {"Worrrrrrd up!"} {"Yes!"} {"Word!"} {"Worrrrrd up!"}

[Akrobatik]
Yo yo, say yes, say word
Say yes, say word
Yo, the shit is absurd
Yo, yo yo..
