

Al Axy "Am I Still Stupid?"

Visit "[Am I Still Stupid?](#)" on MotoLyrics.com

I was stupid, so stupid
Am I still stupid?
I was stupid, so stupid
Am I still stupid?

Bittersweet melodies
Sung into a microphone, oh...
What is an opinion for
That nobody ever gets to hear?
It's a kind of insecurity
Fear can reign one's life

Chorus:
Why didn't I? Why didn't I?
What was I afraid of?
Why didn't I take the chance
To express my point-of-view?
I was stupid, so stupid
Am I still stupid?

Once in while you've got the feeling that
You could make the world a better place, oh...

Suddenly there's something holding you back and
You can't wash the dirt off your hands
It's like a warm summer breeze when you're just
Watching TV shows

Repeat chorus

We can dance and we can act
We can sing and we can shout it out
We can have sex or we can live in innocence
But we can't handle
No, we can't handle the truth

Lean back and smile
Tell me, am I still stupid?
Lean back and tell me
Am I leaning back
Stupid, am I... am I smiling?

Repeat chorus 2x
