I would rather kill my lovely self  
Than live a life behind closed doors  
I am not willing to live a life in fear  
I've got nothing left to lose

Hush now or scream your lungs out  
Never was, never will  
My arms waving goodbye to you  
Some wounds are better left unclosed  
Cause I have learnt from the past  
Hate me, just don't follow me home

Don't follow me home  
Don't follow me home, home, home

You treat me as if you wanna see blood  
Does your bible say so, does your bible say so?  
Spreading hate and fear in the name of god  
Does your bible say so, does your bible say so?  
Ignorance is bliss, is that what you've been told  
Does your bible say so, does your bible say so?  
Is your belief really that shallow?

### CHORUS

Don't follow me home  
Don't follow me home, home, home

No prayer in the world will save you then  
Hear the angels' voices, hear the angels' voices  
They are calling your name, telling you to shut up  
Judge yourself and get a life  
Get a life, get a life  
Get a life, get a life

### CHORUS 2x

Don't follow me home  
Don't follow me home, home, home

Don't follow me home, don't follow me home  
Don't follow me home, home, home

Don't follow me home, don't follow me home  
Don't follow me home, home, home  
Don't follow me home (don't follow me), home,  
home  
Don't follow me home (don't follow me), home,  
home  
Don't follow me
