Monday: sitting, waiting, wishing
Tuesday: lying, trying, hoping
Wednesday: sleeping, crying, praying
Every single thing I see is just boring
Nothing can make me feel better
Apart from breaking out of this cell

Chorus:

I'm leaving this place in the middle of the night, cannot stay here
All the walls look the same, the pressure is so high that I can't stand it
'Cause I get too bored too fast, why don't you get it (get it, get it, get it, get it, no)
I get too bored too fast, you'll never get it (get it, no)
Please understand

(Do do do do, do do do do...)

Thursday: crashing, hating, shouting
Friday: same old shit again and
Weekend: what more can I say now?
I don't wanna feel this empty
I watch everybody drink and laugh, but
Can't you see that this ain't impressing me, yeah?

Repeat chorus

(Do do do do, do do do do...)

I will come back when time is right

Just until everything gets boring again
'Cause I get too bored too fast
'Cause I get too bored, I get too bored too...

Moving forward, feeling lonely
Driving along the road to hell - hot!
One more time I got to tell you
There is nothing holding me back
I'm playing with all those points of no return
To tell the truth: I feel better than ever!

Repeat chorus

(Please understand, oh...)

Extended chorus:

I'm leaving this place in the middle of the night, cannot
stay here

All the walls look the same, the pressure is so high that
I can't stand it

'Cause I get too bored too fast, why don't you get it (get
it, get it, get it, get it, no)

I get too bored too fast, you'll never get it (get it, no)

I get too bored too fast, why don't you get it (get it, get
it, get it, get it, no)

I get too bored too fast, you'll never get it (get it, no)

Please understand
