Why is it every time I see your face  
It's only when I got gas in my Chevy  
There's something strange about that  
What's up (it's just a)

[CHORUS]  
Misunderstanding  
I'm not so demanding  
Never will you play with my heart  
Misunderstanding  
I don't know what you're planning  
Never will you tear me apart

I know I must be dreaming  
All these brand new friends  
And I've never seen such  
Clever ways to make amends

You never know who's scheming  
Is she out for herself  
Nowadays you've got to be protected  
And it's not for health

Don't you know she drives me crazy  
Does she like my walk  
Or maybe all she knows  
Is that money talks  
(Money, money, money, money)

It's a shame the way it is  
I really like her smile  
I'd like to get to know her  
Cause she drives me wild

(Can you tell me why) hey  
You need diamonds, you need pearls  
(You gotta buy 'em) oh, I've got to buy 'em

(Don't you know) don't you know  
(To by my lady) to be my lady  
(Drive my Mercedes) drive my Mercedes  
(Start giving me that loving) hey

[Repeat CHORUS]

Can't you read between the lines  
I never go for stealth  
Should I try to sleep the lady  
And misuse my wealth

I don't know  
The times have changed  
I can't sell out  
I grew up doing right  
And I won't throw it out

(Can you tell me why) hey  
You need diamonds, you need pearls  
(You gotta buy 'em) oh, I've got to buy 'em

(Don't you know) don't you know  
(To by my lady) to be my lady  
(Drive my Mercedes) drive my Mercedes  
(Start giving me that loving) hey

[Repeat CHORUS]

Yo, Eddie, are you in here  
Ha ha, yeah, I thought so

Sounding swell  
You know what I'm saying  
You know what time it is now, right  
Nevelle, get funky

Misunderstanding, misunderstanding  
Misunderstanding, that's all it is  
Misunderstanding, misunderstanding  
Misunderstanding, it's just a

[Repeat CHORUS]

Hey, hey, uh huh  
Never will you play with my heart  
Oh, uh huh (misunderstanding)

[Repeat CHORUS 2x]

Uh huh, never will you  
Play with my heart, oh
