Here's the chance of life
Get ready set, fly
High, above the fear of your mind
Go for it. it's hit or miss
To late for you to quit
You gotta show 'em, how bad
You really want this, ohhhh...

Live your dreams
Its not as hard as it may seem
You gotta work to get the green
On your hopes you must lean
From you fears, you have to
Wean your self it's all or nothing
Give your everything

Are what you believe?
You got to bring the heat
Set the pace, competiton take the lead
This is it, all eyes on you
So stay on point and prove
That you deserve, what's long over due

Live your dreams
Its not as hard as it may seem
You gotta work to get the green
On your hopes you must lean
From your fears, you have to wean yourself
Its all or nothing, give your everything

My heart is still recovering
From the heartbreak of another kind
I'm still drying my tears
Getting over my own fears
In my life, so I wanna make sure
This time
That I'm strong enough to give it my all

Live your dreams
Its not as hard as it may seem
You gotta work to get the green
On your hopes you must lean

From your fears, you have to wean yourself
Its all or nothing, give your everything

Ohhh, ohhh, oh oh oh oh, ohhhhhhhhhh
Ohh, yeah

Live your dreams
Live your dreams
Its not as hard as it may seem
You gotta work to get the green
On your hopes you must lean
From your fears, you have to wean yourself
Its all or nothing, give your everything

Live your dreams
Its not as hard as it may seem
You gotta work to get the green
On your hopes you must lean
From your fears, you have to wean yourself
Its all or nothing, give your everything

Girl, you got to live your dreams
So don't you be afraid
Just set the pace and take a leap,
Its your time to shine....
