"So respect the architect, as I begin to build"

[Bahamadia]

I'm mystical, don't be deceived by the visual

Visible preference is pure, patent it back to metaphors

Greetin em Illa-del-style wild

Analyze my memoirs, runnin on 8/4, poetic, me-ter

soarin way beyond

iambic pentameter, or juvenile flam

Unsyncopated soul piercin earlobes and egos

my vocals read these thoughts - am I hardcore?

To the grain

[Guru]

Lame game plain Jane MC's can't approach these

I shake chumps like fleas, I hold the keys

to drive you, guide you, provide you

with the real joints, ahem I clear my throat of phlegm

The architect, selecting the blueprints

to rid the game of nuisance

Sucker reducin with the fusion

Rhymes solid like cement in my musical solution

Stackin concrete flows, look out below

"So respect the architect"

-> BizMarkie (cut 2X)
