Smoke a Newport, then finish yo ass with one thought

[Mikkey]

Money, power, I devour niggas every hour
Swallow my pain, I extort lanes for every dollar
Get change out of every coward
Listen, this is pimpin, this is game
This is flickin, this is flame, this is, none other than
Mikkey
No lovin, no pity, no huggin, no kiss
Never raw, doggin a bitch
Never rat, cuz we killin the snitch
We hope to be rich, stay broke you's, dope for a fix
(feel me, feel me, feel me)
I heard niggas wanna kill me (really?)
We thirsty for power, we hungry for cheddar
We gamble for mink, and scramble for leather
(daamn!)
This is dope, put the fire to the hot spoon
Niggas hatin man prayin that they shot soon
Life ain't a joke, shit ain't even buyin soon
