When your life full of trouble
And you're down
Can't find your way

I'll be there
For you to lean on
There's no price
That I won't pay

When you need me
I'll come running
Darling, you know
I'll understand

Walk right up
I'll be your witness
You don't say nothing
Just raise your hand

[CHORUS]
I'll be standing beside you
When you need a helping hand
So reach out your arms to hold me
Don't look back, I'll be holding on

Huh, I know
You heard things about me
But I'm here to let you know
That I'm the one
That you can believe in

You see, I'll be your
Light in a sea of darkness
I'll be your sunshine
After the rain

All you gotta do
Reach out and touch me
I'll be your doctor
And I'll heal your pain

[Repeat CHORUS 2x]
