Way down south where I made my stop  
They do a dance down there called the Georgia Slop  
They all hang out at Pegged Legged Lee's  
And they don't give a hoop about no police  
Peg Legged Lee is what I'm talking about  
Where they knocked out, kicked and dragged them out  
They get payed on friday when the work is all done  
And they all do it up until Monday come  
When they do that Slop they twine those hands  
And do the feet like a chicken when it's scratching in  
sand  
You shuffle your feet and spin like a top  
You shake-shake-shake the Georgia Slop  
Oh, look out now...

I stopped to get a soda and dig that jive  
I met a chick, she weighed about three-eighty-five  
I started lookin' and I couldn't stop  
She and I got together and did the Georgia Slop

Peg Legged Lee is what I'm talking about  
They knocked down, kicked and drags them out  
On Saturday night they're all knocked out  
And when Sunday comes they all will shout  
Monday morning when the sun is bright  
They all talk about what happened Saturday night  
Peg Legged Lee is what I'm talking about  
They knocked out, kicked and dragged them out

Wow, do it baby, do it baby  
Shake it baby, shake it baby  
Do it right, do it right  
Come on baby, come on baby  
Shake it to the left...

I stopped to get a soda and dig that jive  
I met a chick, she weighed about three-eighty-five  
I started to lookin' and I couldn't stop  
She and I got together and did the Georgia Slop  
Peg Legged Lee is what I'm talking about  
Where they knocked down, kicked and drags them out
