I wanna tell you one last time, all I need
Don't want no fussin?, don't want no cryin?
You're everything to me

All I need, all I need, all I need
Let me say you're
All I need, all I need, all I need

Once over and again for the last time
Something very wonderful is on my mind
Can I say it twice?

All I need, all I need, all I need
All I need, all I need, all I need
We can work it out with no delay
We don't have to fight nor take all day
Hear me now, hear what I say
Hear my plea because

All I need, all I need, all I need
I don't need nobody else
All I need, all I need, all I need

All I need, all I need, all I need
All I need, all I need, all I need
All I need, all I need, all I need
