Always and forever each moment with you  
Is just like a dream to me that somehow came true  
And I know tomorrow will still be the same  
'Cause we've got a life of love that won't ever change  
and

(Chorus)

Everyday love me your own special way  
Melt all my heart away with a smile  
Take time to tell me you really care  
And we'll share tomorrow together  
I'll always love you

Forever, forever

There'll always be sunshine when I look at you  
Something I can't explain just the things that you do  
And if you get lonely phone me and take  
A second to give to me that magic you make and

Chorus

Forever, Forever  
Loving you is the thing that I plan  
For a very long time  
Me and you, you and me, we as one
