Belle...

The Lord and I have been friends for a mighty long
time

Belle...

Leaving him has never ever really crossed my mind
Let me say just one thing...

I'd never go so far

Cause it's Him no matter who you are

Belle...

Oh it's you that I want, but it's Him that I need
(I'd like to take a minute) just to say now...

Belle...

Belle...

The laughter of the sound has quieted down

Belle...

The best thing we could do is have Him around

Let me say this one thing...

I think if love could've found

My heart was lost but now it's found

Belle...

Let's you and I let the love come down

I'm so happy... let me say this...

It seems so easy to me

I've tried to act naturally

Let's not waste each other's time

Belle...

Lord, He's my surprisin', my pride and my joy,

Belle...

I know that you can understand

This little country boy

(I'm just a country boy)

Belle...

He brought me safe thus far...

(Let me say this to you lady...)

Through many drunken country bars

Oh, let me say,

He's my bright morning star

Belle..

He's my bright morning...

My everything...

Belle...

Belle...

Belle...
I know you're all of these things girl
Ya, but He's such a brighter joy...
He's! He's! He's!
Jesus is my!
My everything!
My everything!
In the morning (time)
In the evening (time)
In the daytime
In the nighttime...
He's my everything, yeah!
Belle...
Belle..
